

## December Meeting Minutes

The December 10, 2007 meeting of the CSRA was called to order at 7:30 pm by President, Bill Allison. Twenty three officials were present. No instruction was presented.

The minutes of the November 12 meeting were approved as distributed.

Fred Parrish, VP of Assessment, encouraged members to request an assessment if needed.

Ken Fowler reported that USSF tests for 2008 recertification are finished. Those who still need to recertify must go to Seattle. Entry level clinics are in the early planning stage.

Gene Chase, Treasurer, reported that after expenditures for our web site, assessments and building use our account balance is \$975.47.

Jill Derry, Referee Coordinator, reported that the fall season ends Saturday. CASA wants rosters from the teams but they have not complained if the rosters are not provided to the officials.

The state has asked officials to be liberal in assessing what can be worn to keep players warm. Generally allow hats, gloves and coats as long as the shorts and jersey are on the outside. Socks should also be visible and not the same color for both teams.

Officials were reminded that cup games must be reported on-line at the Washington web site. If you don't have a log-on ID call Fred to get set up. The link to the new "Advice to Referees" is available on the CSRA web site.
