State Cup Newsletter No. 5

Some weekend matches will require a winner in cup play. KftPM is a simple process to determine a winner, but it is full of land mines that can get you into trouble if you don't understand the process. Attached memo from USSF is a **MUST READ** for any crew doing a match that requires a winner. If something goes wrong – the whole crew is to blame!

Ask both teams before the match if it requires a winner. Our association is not informed by the clubs about this.

If yes, do a good pre-game about what each member should be responsible for.

From WYS Rules of Competition

D) Ties in single elimination games will be resolved as follows:

- a. Under 11 through Under 14 Two 10-minute overtime periods
Under 15 through Under 19 Two 15-minute overtime periods

- b. If still tied after overtime periods, FIFA "kicks from the penalty mark" will apply to determine a winner.
