Enter the scores. You will see links on under Forms. Clicking on them will take you to that form on the csraref.org website. Fill that form out and then Click on the check box to show that you indeed fill out the form.

The great feature about this is that the paying agent (SOS) and the assignor can now just export the week's list of games either into a Excel spreadsheet or a PDF document. No more entering each individuals e-mail reports. It will save a bunch of time for both
