RE: Requirements for Advancement

I have been notified that you are interested in advancing to the next rank of refereeing. Per the USSF Referee administrative handbook (white with Red stripping) you must complete the following items and submit them to the State Referee Administrator, SRA.

Recently in Washington State the State Referee Administrator assigned the preliminary review process to the Area Referee Administrator, ARA, Fred Parrish (Southwest Washington).

The information each referee needs to provide to the ARA for evaluation and initial approval is as follows:

- Have had at least one year in your present grade. (ARA has this on file)
- Present USSF registration for current grade/year
- Entry level test with a score of 85% or greater
- A letter outlining your history as a referee and request for up grade. Highlight Advanced clinics Tournaments you have refereed, etc.
- Match history 100 total games (75 as Center Referee and 25 as Assistant Referee)
- Physical fitness test (Please arrange with Fred Parrish) 360-834-5926
- Game assessment (please enclose a check for \$_____ made out to the Washington State Referee Committee) The assessor will be notified of your need for assessment by the SRA.

YOU DO NOT NEED TO ARRANGE THIS YOUR SELF.

Where the boxes are checked off you have already provided this information and the ARA has it on file
